

MARKAL®

Pre-certified to meet GE D50TF8
Rolls-Royce EMS 56752

DURA-INK®+

AEROSPACE

Markal® DURA-INK®+ Aerospace is a permanent ink marker that dries quickly to leave water and weather resistant marks. The ink formula contains low levels of chlorides, halogens, low melting point metals and sulfur and is pre-certified to meet GE D50TF8 and Rolls-Royce EMS 56752 specifications, making it safe for use on stainless steel and other alloy metals where corrosion resistance is a requirement.

3mm

FEATURES

- Batch certified formulas meet stringent aerospace specifications
- 3rd party lab analysis is available for each batch
- Ink formula contains low levels of chlorides, halogens, low melting point metals and sulfur
- Fast drying, long lasting and wear/weather resistant formula
- Valve-actuated for better controlled flow
- Available in black
- Metal Barrel with clip-grip cap

- Stainless Steel
- Alloy and super alloy

- Aviation and aerospace
