

PRO-WASH®

REMOVABLE LIQUID
PAINT MARKERS

PRO-WASH® W and D are removable liquid paint markers that dry fast and can be quickly and easily washed off of any non-porous surfaces without ghosting or leaving a residue. The unique paints make highly-visible and durable marks until removal is required, making PRO-WASH ideal for quality control, assembly operations and part defect identification.

Features:

- Fast-drying paint easily removes leaving surfaces free of mark ghosting or paint residue
- PRO-WASH W marks can be removed simply and quickly with water
- PRO-WASH D marks can be removed with detergent solutions that have a pH level of 10 or above
- Xylene-free paint reduces user health risks and eliminates California Proposition 65, EPA HAPS and SARA 313 concerns in the U.S.A.
- High-strength, light-weight plastic barrel designed for industrial use
- Easy-to-grip clip-cap allows for convenient pocket storage
- Marking range: 0°F to 150°F (-18°C to 66°C)
- Made in U.S.A.

INDUSTRY USES

Quality control
Automotive aftermarket
Automotive assembly
Construction
Metal fabrication

SURFACE USES

Steel and iron
Glass
Plastic
Pipes and tubes
