

Stationary UV LED Lamp ZERO 500 LK

ZERO 500 LK	Art. no. 142.200.519	
Mains voltage	230 V / 50 Hz	Compact stationary lamp with clear-glass filter OPTIONAL: Art. no. 131.020.090 Foot switch Art. no. 131.020.128 Light bar with red or white LED
Operating voltage	24 V	
UV source	20 UV LED	
LED lifetime	approx. 10,000 h	
UV intensity at 400 mm distance	approx. 9,500 $\mu\text{W}/\text{cm}^2$	
Wave length	365 \pm 3 nm	
Half-width of emission	9.5 \pm 0.5 nm	
Total weight	approx. 2 kg	
Dimensions (without bracket)	490 x 50 x 80 mm	
Risk class acc. to DGZfP Guideline EM 6	II	
Protection class	IP 20	

Scope of delivery

- Stationary UV LED lamp
- 5 m supply cable
- Power supply unit with 1 m cable
- UV eye protection glasses

It is strongly recommended to use **UV eye protection glasses!**
